

FACULTY POSITION IN COMPUTATIONAL LINGUISTICS (WOMEN Only)

Prince Sultan University is the first private university in Saudi Arabia, which emphasizes excellence in teaching, research and community services. PSU offers a Preparatory Year Program in which students develop their English, Math, Computer and PE skills to the standards required for study in English-medium undergraduate courses in Computer and Information System; Finance, Marketing & Accounting; Applied Linguistics, Computational Linguistics, & Translation; & Law. PSU is also now offering Engineering Programs. The Engineering Programs are: Engineering Management, Communications and Networks Engineering (Men College) and Architecture and Interior Design Engineering (Women College). PSU also offers graduate programs leading to Master in Business Administration (MBA).

* Consistent with current cultural norms in Saudi Arabia, female students are segregated from male students in all aspects of the programs. The same is true with its faculty/administrative members.

The College is seeking applicants for the positions of Assistant/Associate or Full Professor in the field of Computational Linguistics for its up-coming Academic Year 2012/ 2013 which starts in September 2012.
