

FACULTY POSITION IN COMPUTER SCIENCE (MEN & WOMEN*)

Prince Sultan University is the first private university in Saudi Arabia, which emphasizes excellence in teaching, research and community services. PSU offers a Preparatory Year Program in which students develop their English, Math, Computer and PE skills to the standards required for study in English-medium undergraduate courses in Computer and Information System; Finance, Marketing & Accounting; Applied Linguistics, Computational Linguistics, & Translation; & Law. PSU is also now offering Engineering Programs. The Engineering Programs are: Engineering Management, Communications and Networks Engineering (Men College) and Architecture and Interior Design Engineering (Women College). PSU also offers graduate programs leading to Master in Business Administration (MBA).

* Consistent with current cultural norms in Saudi Arabia, female students are segregated from male students in all aspects of the programs. The same is true with its faculty/administrative members.

The College of Computer Sciences and Information Systems at PSU offers the two following programs:

- 1) Computer Science
- 2) Information System

The College is seeking applicants for the positions of Assistant Professor, Associate Professor, and/or Full Professor in Computer Science with a special focus and experience in one of the following areas: Software engineering with teaching and professional experience, and Graphics & Digital Media with computer science background, for its up-coming Second Semester which starts in Jan 2012 or for Academic Year 2012/ 2013 which starts in September 2012.

Required Qualifications:

Candidates should have a Ph. D. degree in Computer Sciences, IT and/or MSI, from a reputable institution; minimum of 4 years practical teaching experience at tertiary level. Preference will be given to applicants who have published papers in these disciplines. Extensive Research activities will be a plus-factor in the hiring process.

SALARY AND BENEFITS

The University is continuously expanding and its campus is situated in well-equipped new premises in north-central Riyadh. We offer one-year renewable contract and a competitive salary package based on academic qualification and teaching/research
